North Carolina Cases

(see attached defendant list)

**AMENDED ORDER**

AND NOW, this 31st day of August, 2009, this matter having been referred by the Honorable Eduardo C. Robreno, IT IS HEREBY ORDERED that the settlement conference previously scheduled on **DECEMBER 22 & 23, 2009 at 10:00 a.m.** has been **RESCHEDULED** and will now take place on **WEDNESDAY, JANUARY 6 & 7, 2010 at 10:00 A.M.** before the undersigned in Courtroom 6, 2nd Floor, United States Courthouse, Robert N.C. Nix Federal Building, 900 Market Street, Philadelphia, Pennsylvania.

Within two weeks of this Order, plaintiff shall give notice of this conference to each viable defendant (i.e., any defendant not in bankruptcy or dismissed) in each case no less than thirty (30) days before the conference date. A Certificate of Notification of this notice shall be forwarded to Judge Hey prior to the conference.

**The senior attorney(s) in charge** of the matter for each of the parties, **with full settlement authority**, are required to attend the conference in person. Based on prior practice of settlement conferences in this district in MDL 875 cases, the parties themselves and insurance carriers are not required to be present in person at the conference, but must be available by telephone throughout the duration of the conference and may be required to be present in person at future conferences if the matter does not settle.

Plaintiff shall, no later than forty-five (days) before the scheduled conference, communicate an updated settlement demand to each defendant in each case. If any defendant has not received an updated settlement demand, the defendant shall immediately contact plaintiff to learn the demand. Defendants are encouraged to present an updated offer prior to the conference, and the parties are directed to make good faith efforts to resolve their case(s) prior to the conference.

Also, counsel are encouraged to address other mutual matters they share in the MDL, i.e., counsel should be prepared to discuss matters they share in addition to those specific to the scheduled conference.

Each party is directed to submit to Chambers (via facsimile at 267-299-5061) a settlement

memorandum setting out the following in order:

1. The names, telephone numbers, facsimile numbers and e-mail addresses of counsel to appear at the conference on behalf of the party;
2. The name of the party or the party's representative, including insurer if applicable (with title or position) to be present or available by telephone during the conference;
3. A brief statement of the elements and manner of proof of the party's claims and/or defenses;
4. A brief statement of the party's damages and manner of proof of their damages or, as appropriate, its position on damages claimed by any opposing party;
5. The last demand and/or offer, including suggestions as to pooling cases or parties to achieve settlement; and
6. Any other matters that counsel believe may be relevant to settlement discussions.

Counsel are directed to fax the position paper to Chambers not later than **four** business days prior to the date of the conference, with a copy to opposing counsel (not all other counsel). Counsel may combine cases in their submissions (i.e., the submission may address multiple clients/cases), so long as the information is organized to assist Judge Hey in understanding the parties' positions regarding settlement. The position statements should not contain briefing of legal issues.

At the completion of the scheduled settlement conference, Judge Hey will determine with counsel's input whether to allow any further time for settlement discussions. Counsel are advised as follows with respect to matters that do not settle. Following the settlement conference, Judge Hey will direct the parties to hold a discovery planning conference pursuant to Fed. R. Civ. P. 26(f), and submit a discovery plan pursuant to Fed. R. Civ. P. 26(f)(3), and will further direct that the plan adhere to the format of the "discovery plan template" attached to this order (and available on the MDL 875 website, [www.paed.uscourts.gov/mdl875.asp](http://www.paed.uscourts.gov/mdl875.asp)). The presumptive dates contained in the template will be adopted unless good cause is shown to deviate.

BY THE COURT:

ELIZABETH T. HEY
